

SCRIP UPDATE

IMPORTANT

This past week was the last week to order VISA cards from SCRIP. As we told you earlier, this was a promotional card with a limited usage time period. If you are still holding any of these cards, you need to use them by the printed expiration date on the card. Failure to use the card by the expiration date could result in additional fees. Great Lakes does anticipate offering the card again as a promotional card but at this point it is not available.
