FROM THE PASTOR

In Honor of Our Mothers

*God took the fragrance
Of a flower...
The majesty of a tree...
The gentleness of
morning dew...
The calm of a quiet sea...
The beauty
of the twilight hour...
The soul
of a starry night...
The laughter of a
rippling brook...
The grace of a bird
in flight...
Then God fashioned
from these things
A creation like no other,
And when his
masterpiece was through
He called it simply~
Mother.*

~Herbert Farnham

Road to Kindness

Let us make today special for our Mothers! Give your mom an especially long HUG today and tell her “THANK YOU” for all that she does to make your life special.

Let us remember those moms that have passed away and those dear moms that have lost a child. Our hearts and our prayers surround you today and always. We also thank those special women that have stepped in and been “like a mom” – your caring means so much to our children. We have a blessing and a tribute to all mothers:

*“Blessed be all mothers who have come into our lives
Whose kindness, care and loving remain with us to guide.
Your inspiration in us made us strive in every way!
Mothers, this little tribute flows directly from my heart*

*You are so loved and cherished,
Invaluable, one and all, you are!”*
(from Susan Kramer at www.surfnetkids.com)

Be inspired to Be Kind and show your loving care by following “God’s Way – “The Road to Kindness!”
Have a wonderful Mother’s Day and week!

*We wish to thank the sponsor
of the week for advertising in

CENTENNIAL PROJECT THROUGH MAY 8, 2023

Each year at this time our finance manager is putting the finishing touches on the budget for the upcoming school year. One of the interesting financial benchmarks that is calculated is the cost of education per student.

For this current year, St. Joan of Arc School, the cost is approximately \$6600 per student. For 2024, the cost is anticipated to be \$7000 per student. A significant portion of the cost per student is underwritten by the Parish. Compare that to the cost per student at Derry Township School District (DTSD). As reported on the District’s website, the expense budget for 2023 is \$71,375,841 with an enrollment of approximately 3400 students. The District’s cost to educate a student can then be calculated as \$20,992 per child.

DTSD is one of the top school districts in the state. It is nationally recognized as a Blue-Ribbon School. St. Joan of Arc is a Middle States Accredited and a Blue-Ribbon School. It prides itself on excellence in education as well.

Obviously, DSTD has a vastly bigger budget for important needs such as special education, athletics, and after school activities. However, parochial school parents still pay school district taxes, whether in their rent, or in their

property taxes. That is a huge savings to the individual districts where the family resides.

As far as curriculum, where the schools diverge is in the spiritual development of the student. As a parochial school, St. Joan of Arc has the mission to offer a religious education in a nurturing environment. It enhances and develops the spiritual and ethical maturity of our children. Jackie Kennedy once shared, “If you bungle raising your children, I don't think whatever else you do matters very much.” St. Joan of Arc School is here to partner with parents in that effort which is so critical to character development.

Please consider a gift to St. Joan of Arc’s Capital Campaign. We are in the home stretch and humbly request your assistance. No gift is too small (or too large!) It’s an investment into the future character of our society. With our children’s exposure to social media where anything goes they need a spiritual compass to navigate their formative years. An education at St. Joan of Arc develops both the mind and the spirit.

You are invited to watch a three and a half-minute video that captures the vibrancy of the new school:
