Thank you for your continued support of the Centennial Campaign. Your gifts have enabled the completion of the remaining wing of the school. The classrooms, science lab, and lounge opened in September. They are beautiful and a great blessing. We now are planning and looking forward to the completion of the school chapel in 2024.

An important financial component of our 2024 plans is the reconciliation of campaign pledges. As of mid-December, our outstanding balance was \$234,000. Many are actively being fulfilled, but unfortunately some of them are not. It is our fervent prayer that those that are presently inactive revisit their pledge, and as much as a budget allows, resume the installments in the new year. A pledge payment is never too late. We are also grateful for all of the new gifts coming in, and we invite those who are able to consider an end of tax year contribution.

The students, faculty, staff, volunteers, and administration of St. Joan of Arc School thank you for your generosity, and wish you a blessed and restful Christmas Season.

DIOCESAN ANNUAL CAMPAIGN

In this season of giving please consider a 2023 Tax Deductible Gift to The Diocesan Annual Campaign.

We need all of our parish members who can to step up and unleash the “kick” a champion runner employs to catch and pass her competitors in the last 100 meters. As 2023 winds down, there is still some distance left to achieve our Diocesan Annual Campaign goal. At the close of November 30th, St. Joan of Arc Parish DAC had reached \$210,917 in donations with another \$37,836.83 to be earmarked from our Focus Endowment. Our parish goal/assessment is \$281,490.

The beneficiaries of DAC funding:

8% of the DAC covers administration. It includes central functions such as payroll processing, benefit management, IT service/ support, capital planning & approval, and banking services for 89 parishes and 35 schools across 15 counties. The centralized management equates to a tremendous savings for the local parishes.

The remaining 92% of the DAC is allocated to programs as follows:

- DAC provides 8% of all Catholic Charities program funding which directly impacts the local community with critical programs for the needy.
- 23% of the DAC receipts fund Youth programs, Multicultural ministries, College campus ministries, respect life, and communications.
- 19% is allocated to the Youth Protection Program, continuing education, and formation for clergy and religious, parish records, and Tribunal support.
- 15% supports religious education programs in the parish & diocesan schools as well as scouting.
- 15% funds the retirement center, supplemental medical coverage, and the Bishop’s office.
- The remaining 12% funds the critical function of vocations and formation of our young men as seminarians, deacons, and priests.

As we celebrate the tranquility of the Octave of the Nativity that ends on New Year’s Day, and the Twelve Days of Christmas that usher in the Epiphany, please do what you can to support the critical ministries of our Diocese, whose mission helps those most in need.

Merry Christmas!
