**The Hershey Area Ministerium** seeks to respond to the needs of the local community and to provide ecumenical worship services. The Lenten offering is donated to several local social service organizations including The Hershey Food Bank and Community Outreach, Love INC, and Hope Within. Donations may be dropped off at any one of the host churches with checks made out to the “Hershey Ministerium”.

**Love INC:** The mission of Love In the Name of Christ of Greater Hershey is to mobilize churches to transform lives and the community, doing so all in the Name of Christ. Primarily, Love INC does this through a centralized call center or Clearinghouse Ministry where needs are assessed, and resources matched. The Parsonage Ministry is a home away from home for families of adult patients at the Penn State Hershey Medical Center. The Mentoring Ministry provides one-on-one guidance to help with longer-term needs such as budgeting and chronic poverty resource issues. The Personal Care Closet Outreach provides personal, household, and baby basics not covered by food stamps. Educational classes for life skills and transformational ministries are being developed. The communities of Hershey, Hummelstown and Elizabethtown are served. Please contact Love INC at 717-835-0101 to get involved or go to [www.loveincgreaterhershey.org](http://www.loveincgreaterhershey.org).

**The Hershey Food Bank and Community Outreach** is an all volunteer 501(c)(3) organization whose purpose is to serve the community by providing free food and assistance with the temporary needs of families in financial distress and emergency help to transients. Our goal is to help all who are in need and to stop hunger. Twice a month during the three days we are open, registered families have the opportunity to shop for their food needs as well as paper and personal care items. The food bank also makes available free budget counseling to any family in need of this service. Contact information: [hersheyfoodbank@verizon.com](mailto:hersheyfoodbank@verizon.com) or 717-520-3143. More information can also be found on our website: [www.hersheyfoodbank.com](http://www.hersheyfoodbank.com)

**Hope Within:** Hope Within was co-founded in 2002 by Brian & Donita Sturgis with the dream of providing primary health care to the uninsured low-income residents of Lancaster, Dauphin, and Lebanon Counties. Through the Grace of God, the organization is excited to Share His Love by offering excellent and free primary medical care, low-cost sliding-scale counseling and donation-based dental care via the hands of more than thirty volunteer medical, dental providers, therapists and nurses. Contact Hope Within at [www.hopewithin.org](http://www.hopewithin.org) or call 717-367-9797.
