

## CAMPAIGN PRAYER

Our most gracious heavenly Father, as You bless us continually with the knowledge of Your abundant gifts, grant us especially the gift of a grateful heart. Help us to respond sacrificially to the challenge before us so that our Church family may move forward in its ministry of worship, education, and service. Give us the faith, courage, and the desire to support this Centennial Project in our Church as we grow for tomorrow.

*In Jesus' Name. Amen.*

## St. Joan of Arc School and Religious Education Center

The new home of our school and REP will be located just two miles from the parish on Sandhill Road. This state-of-the-art building is 100,000+ square feet and sits on 36 acres of Hershey real estate. The building itself is only twelve years old and has all that our school and REP needs plus so much more!

- ✦ 500 Seat Chapel
- ✦ STEM Lab
- ✦ Maker Space
- ✦ Gymnasium
- ✦ Cafeteria
- ✦ Learning Support Rooms
- ✦ Large Parking Lot
- ✦ Barn
- ✦ Athletic Fields
- ✦ Much More!

## The Benefits

Acquiring the building and property on Sandhill will permit the school to continue to provide the same outstanding faith-based academics, but to even more students in the Hershey area. Securing this property will also save the parish approximately \$3 million while giving our school and REP so much more room than *The Centennial Project* originally called for. Below are just a few of the benefits that the property on Sandhill will provide.

MORE SPACE

RENTAL INCOME

ENERGY-EFFICIENT

## DID YOU KNOW?

In the current school building, we do not have enough classrooms to accommodate the anticipated number of students in our Middle School. With this new building, we will move in by the 2020-2021 school year and will not have to turn a single student away!

## What About the Current School?

God has blessed our parish in so many ways over the years and because of this St. Joan of Arc School has grown so much that it has taken over much of the available space in our parish. The school now uses Meeting Rooms A, B, and C with pre-school in the basement of the Parish Center and on the stage. There is a trailer for learning support and the hallways are also used to tutor students. Our Middle School in the basement and learning an instrument takes place in the concession stand or in an open hallway. With the acquisition of the Sandhill property the parish can reclaim these rooms for our 65+ ministries.
